## REGISTRATION INFORMATION

Thank you for your interest in Bondurant Christian Preschool! We appreciate it! Please let us know if you have any questions!

**PURPOSE:** The preschool hopes to provide your child with a happy social and group-play experience, to provide a setting that promotes learning and healthy development, and to assist the child in meeting and adjusting to problems in everyday life through varied learning experiences.

**PROGRAM:** Our program incorporates developmentally appropriate curriculum that makes learning fun! We include many child selected learning centers to facilitate hands on learning. We believe a child should have fun while learning! Our curriculum is on a 3 year rotation so no child should receive the same curriculum twice. We incorporate many different themes each year and we do incorporate several Christian aspects that include Jesus' Birthday (Christmas) and Christ's Resurrection (Easter). The Preschool is licensed through the state of Iowa.

**REGISTRATION:** A \$25.00 non-refundable registration fee is required and payable when you register your child. Applicants shall be accepted in the order registration forms, accompanied with the \$25.00 fee, are received. We have a limit on the amount of students allowed in each class; therefore, please return the registration form quickly! Enrollment packets are available on our website and can be emailed to you as well. The enrollment packet, including a completed physical form and signed immunization form, is due before the first day of class. We must have all the forms by the time school starts. **This is a state law. \*\*\*Children must be toilet trained prior to the start of preschool classes (a child still wearing Pull Ups does not constitute as "toilet trained").**

\*\*\*If you should have a change of plans and will not be attending in the fall, please let us know as soon as possible because we do have a waiting list.

\*\*\*Your first month's tuition should be paid at fall orientation in August.
